

# Meet our horses

At any one time, the Centre usually has 27 or 28 horses. They are part of the Ambury "family" and are used by our full-time and part-time students for therapy rides. Care of the horses is the joint responsibility of our staff and students. Here are some of them.

<b>Name:</b>	Bess	
<b>Age:</b>	25	
<b>Gender:</b>	Mare	
<b>Height:</b>	15.2 hh
